## YOUR TRUSTED PARTNER IN DISINFECTING+ & SANITIZING\*

- EFFECTIVE** The Patent Pending ZONO™ Cabinet disinfects and sanitizes many different surfaces, including plastics, electronics, metal, and varnished wood; and sanitizes fabrics and other porous surfaces without using liquid chemicals.
- SIMPLE** The ZONO™ Cabinet is simple to set up and easy to operate. Place items onto the Seven Bins and slide them directly into the ZONO™ Cabinet. No user assistance is needed during operation, and in 38 minutes, items are ready to use immediately, with no rinsing, wiping, or worry.
- SAFETY FEATURES** Numerous safety features exist to provide protection during operation:
  - Emergency stop button outside and inside
  - Clear safety glass panel door
  - Password protected digital display panel
  - Ozone sensors
  - Magnetic door lock
  - Ozone rated door gasket
- SUSTAINABLE**
  - The ZONO™ Cabinet uses less than three cents of electricity per cycle
  - The ZONO™ Cabinet uses less than one ounce of distilled water per cycle
